## **STATEMENT**

This statement is issued by the NBIS Certification Body and confirms that, following an audit conducted in accordance with the requirements of the international standard ISO 9001:2015, the company Oikonomou Transport applies documented procedures covering:

- the receipt and storage of products,
- batch recall and traceability,
- the use of appropriate vehicles and transport equipment,
- as well as the employment of trained personnel.

Based on the above, the company complies with the fundamental requirements of the Guidelines on Good Distribution Practice of Medicinal Products (2013/C 343/01).

**Note:** This statement does not constitute an official certificate or formal confirmation of compliance with GDP principles. Such documents are issued exclusively by the competent regulatory authorities (e.g., the National Organization for Medicines – E.O.F.).
